WELCOME PONY CAMPERS!!

We are all super excited to have you spend the week with us on the farm!

Here are some rules and tips we have so that everyone, including our lovely animal friends, have a fun, memorable, and safe week.

- Please arrive on time to drop off and pick up campers
- Aftercare is offered and we ask that arrangements be made at least one day in advance
- Late pick-ups without notice will be charged \$1 a minute starting 15 minutes after camp ends
- Long pants and closed toed shoes are required
- Please wear sunscreen and bring some bottled water, snacks and a full lunch (even for half days)
- We will have some water bottles, snacks, and sunscreen available but our supplies are limited!
- Please let staff know of any illnesses or allergies
- Please keep sick campers at home
- Bring a helmet for riding, bike helmets ok!
- Examine for ticks when you get home

Please go over the pony camp rules with your campers so they understand what is expected of them and so everyone stays safe.

- Please walk while at pony camp
- When playing with the animals, please leave them on the ground where they feel safe
- Always ask a counselor if you need to go to the bathroom or need anything
- Keep all pen gates and doors closed so the animals are safe
- Be respectful of the animals, counselors, and other campers' personal spaces
- Make big circles behind the ponies
- Keep your feet on the ground unless mounting ponies
- Don't be afraid to ask the counselors for help or if you have questions
- Learn new things
- Have fun

We will be having our end of the week parade on Friday so please arrive 20 minutes early for pick up so you can see your campers ride and take photos!
